

DTAA Baseball

Volunteer Requirements:

The DTAA is a volunteer organization. We need and depend on the input of parents to make the program run successfully. Volunteer positions needed for the upcoming season are:

- **Field Maintenance Coordinator**- This person will be in charge of;
 - Preseason field preparation/conditioning,
 - Maintaining field conditions during the season,
 - Field closings in October. This is an administrative position to the extent of assigning/coordinating personnel as volunteers, as well as logistics of maintaining the fields of play.
- **Snack Shack Coordinator**- This person will be in charge of assigning volunteers to run the Snack Shack for the season, as well as stocking the Shack with the goodies.
- **Scheduling Coordinator**- This person will maintain the field/game/practice schedules for all practices and games. There will be computer oriented tasks as the primary function.
- **Website Administrator**- This person will maintain the website, and assist the Scheduling Coordinator with the on-line schedule.
- **Sponsorship Recruiter**- This person will be in charge of reaching out to existing sponsors and pursuing new donors for banners, teams and events. This is truly a sales job and one for an outgoing individual.
- **Head Coaches**- Each team needs one.

The volunteers that assume the positions outlined above will be exempt from any other volunteer responsibility or volunteer fee. I do ask that those taking head coach positions be involved in field prep (which they seem to do anyhow) so that they can familiarize themselves with the other coaches and have input on the fields that their team will play on. I will provide information and assistance to those that assume these functions as well.

Standard volunteer efforts to fulfill the volunteer requirements:

Standard volunteer requirements will consist of **2 participations at Snack shack per family, and 1 field maintenance tour** (Field Clean up before Season or After Season). We will have field day in late March or early April. There are enough projects to complete field maintenance requirements for all families. If you can't make that date, there are closing procedures that will need to be done post-season. Head coaches qualify as full volunteering, 1 assistant coach will be given credit for 1 snack shack duty. Anyone that volunteers for any of the 4 "management" positions will be credited with full volunteer duty. If you wish to "buy-out" of volunteer duty, indicate that on the form and we welcome your \$75.00 donation. The program runs off of donations and registration fees, so your generosity is greatly appreciated. Any person that can provide a new banner sponsor or team sponsor on their own will be given credit for snack shack or field duty, their choice. Tball/Coach Pitch families are only required 1 participation at Snack Shack, and 1 field maintenance duty.

Thank you for supporting this effort and supporting the program.

I would like to volunteer for:

- Field Maintenance Coordinator _____
- Snack shack coordinator _____
- Field scheduling _____
- Website Administrator _____
- Sponsor Recruiting _____
- Head/Assistant coach _____
- Buyout _____

Name: _____
