

GRADE 5-6 North Hunterdon Basketball League Rules

Updated 11-17-2025

All coaches are to meet with the referee at the scorer's table prior to the start of every game to make sure everyone is clear about the rules and to bring up any particular issues that may pertain to that game; *i.e. some has a kid on the team with asthma and he or she cannot play the required half game per player as per the rules*, or agree on how to handle any player who needs to jump over the foul line to reach the basket, etc. This will be a good time for refs to make sure coaches understand the technical foul and bench rules. Home court Commissioner is encouraged to attend this discussion. ***The purpose of this rule is to promote good sportsmanship.*** This session at the scorer's table is meant to be a very brief meeting and in no way should these discussions get so elaborate that they are delaying the start of a game.

Games will not start until there are individuals (from the home gym) sitting at the scorer's table to maintain the book and clock.

PLAYING TIME & SUBSTITUTIONS

- The game will consist of four 8-minute quarters
- All players must play at least ½ game – 16 minutes. If a team has less than 9 players, each player needs to sit a minimum of 8 minutes.
- Player substitutions may be made at any clock stoppage during the game.
- Players must take a knee at the score table until they are called in by the referee.

TIME OUTS

- Two 1-minute time outs will be allowed per half. Time-outs may be used at the coach's discretion and kept track of by the scorer's table.
- Overtime – Only ONE 1-minute timeout is allowed during overtime. Unused timeouts are not carried over into overtime.

CLOCK STOPPAGE

Stoppage of the clock occurs with the following: Referee whistle - All fouls - All out of bound plays - Any injury

FOULS

- Each player is allowed 5 fouls per game. When the player receives the 5th foul, he/she must exit the game and may not play for the remainder of that game.
- Technical Fouls: 1st Technical Foul during a game – Player or coach is warned and the other team gets 2 shots and possession. 2nd Technical during a game – Player or coach is out for the rest of the game the next game.
- The other team gets 2 shots and possession. If a coach is ejected from a second game, they are eliminated from the remainder of the Season
- Per NFHS RULES, per quarter the 5th foul will be the double bonus and be awarded two foul shots. Team fouls reset per quarter.

PENALTIES

- The offensive team is allowed 10 seconds to get ball over half court.
- The 3-second rule in the key is in effect.
- 5 seconds for inbound plays.
- Passing from frontcourt to backcourt will result in a turnover, except in inbound passing

BACKCOURT DEFENSE

- Backcourt defense will be allowed during the last 2 minutes of the 1st half and the last 2 minutes of the 2nd half ONLY. The referee will discuss with both coaches prior to the second and fourth quarters. With two minutes remaining, each team may begin playing full court defense. Backcourt defense is also allowed during the last minute of the overtime period (only).
- In the event a team is defending in the backcourt (other than the times permitted), the official will issue one warning to both teams. If either team is called for playing backcourt defense after the warning, a technical foul will be issued to the offending team which will result in a free throw and the ball out of bounds to the other team.

MERCY RULE

A *Mercy Rule* will be enacted any time a team is winning by 20 points or more. The leading team will not be able to double team and is *expected* to slow the pace and intensity of the game. No fast breaks or three pointers are allowed. The first time a fast break or three is shot, it's a warning and the basket is waived off and the ball is turned to the opposing team. The 2nd time this happens, it's a technical foul and the basket is waived off, and the opposing team gets the 2 foul shots and the ball side out. This will continue as long as a team up 20+ points is unable to slow the pace of the game and play with sportsmanship in mind. Note - the Mercy rule is in affect during the playoffs as well.

OVERTIME

- Any games tied at the end of regulation will go into overtime.
- Overtime will consist of one (1) 4-minute overtime period.
- If the score remains equal at the end of the overtime period, a second overtime period will be played.
- Team fouls carry over into overtime
- Backcourt defense is allowed in the last minute of the overtime period
- Only (ONE) 1-minute timeout is allowed during overtime. Unused timeouts are not carried over into overtime
